

## Happy Holidays and Welcome 2022!

We hope you are happy AND healthy! Our highlights for 2021: Karen & Shannon spent February, and a few other weeks during the year in AZ working remotely! There was no Western ski trip for Greg for the first time in 40 years! Karen changed jobs and is very happy working at Ameriprise! Amanda started her first PA job in GI and Hepatology with Mayo Clinic Mankato. In May, Amanda and Kevin got engaged along the Superior Hiking Trail and adopted their puppy, Tilly! Greg, Amanda, & Shannon adventured to Alaska in August. Karen went to CO for a family wedding. Greg's last quarter was interrupted by triple hernia surgery. With physical therapy he hopes to be as good as new soon.
